Technology from <b>Winnipeg's Farmers Edge</b> helps growers make dozens of decisions with up-to-the-minute data. Farmers Edge who services over 40 million acres in Canada, the USA, Australia, Brazil and Eastern Europe, has always focused on productivity and sustainability in addition to a new trend – traceability. Consumers will be able to check how and where the ingredients in, say, their morning cereal were grown – eventually right down to which farm. Farmers Edge is one of many Canadian firms who are having a national and global impact in service delivery.</p> <p><b>Session under development - further details to follow</b></p>

## CANADIAN MUSEUM FOR HUMAN RIGHTS

85 Israel Asper Way

### Business Attire

The Canadian Museum for Human Rights is the first museum solely dedicated to the evolution, celebration and future of human rights. The museum’s mandate is to explore the subject of human rights, with special but not exclusive reference to Canada, to enhance the public's understanding of human rights, to promote respect for others, and to encourage reflection and dialogue. The Museum will play an essential role in:

- Preserving and promoting our heritage at home and abroad
- Contributing to the collective memory and sense of identity of all Canadians
- Inspiring research, learning, and entertainment that belong to all Canadians
