Topics of information sharing include legislative and policy updates, privacy impact assessments, information sharing agreements, access to information statistics, access to information fee structures, COVID-19 response and privacy, technological change and others. Chad Hoskins, who had led the group for a number of years, has moved on to a new role. The subcommittee is grateful for Chad's long-time leadership of the group. Rhianna Begley and Keleigh Annau, representatives from BC, are now co-chairing the group. The group is currently undertaking a review of membership to ensure the membership list is up to date and accurate. If further updates are required to the membership list provided in Winter 2022, the co-chairs will convey these updates to ICCS. The Privacy & Access Subcommittee chairs continue to meet with the chairs of the digital identity and security groups. Due to COVID-19, the subcommittee is currently considering how the annual meeting will take place in 2022.
