<p>3. <u>Issues and Needs:</u> Briefly describe any issues you would like to share with the Council and what assistance you might be seeking from PSCIOC.</p>	<p>MISA Ontario members are very interested in working collaboratively across government jurisdictions on digital identity and overall digital transformation. There is also a demonstrated need for a connectivity framework that will allow work and collaboration from anywhere. Lastly, overall procurement and the move toward challenge-based procurement is another area where there are opportunities for MISA Ontario members to benefit.</p>	
<p>4. <u>Topics of Interest:</u> Please identify topics of interest to your jurisdiction for future PSCIOC meetings /teleconferences.</p>	<p>MISA Ontario members continue to be interested in knowing of any anticipated changes to privacy laws or acts and supports available to municipalities to ensure private data is protected. Privacy Impact Assessments are costly and time consuming.</p> <p>There is also interest in digital transformation, open government and smart community development.</p>
