

PSCIOC Information-Sharing Template – February 2020

Information Sharing is collected for the purpose of the PSCIOC Meeting of February 2020.

Information contained in this document cannot be shared without the approval of the member jurisdiction (author).

Administration :		Contact
1. Accomplishments: Briefly highlight major IT/IM accomplishments, progress, and/or significant milestones achieved in your jurisdiction over the past 6 - 12 months.	Windows 10 Project Successful upgrade of the desktop environment to Windows 10 operating system. This project addressed the challenges faced with legacy technologies that are not compatible with the Windows 10 operating system.	Dean Tokariwski Acting Executive Director (204) 945-1667 Dean.Tokariwski@gov.mb.ca
	Public Safety Radio Communication Services Manitoba is upgrading its' public safety radio communication system. The project team is nearing completion of the build phase with 147 of 153 towers upgraded. Transition phase planning activities have been initiated and the distribution of new radio equipment to end users has begun. Services are on schedule to be fully available in 2021.	Dan Kerr Acting Executive Director (204) 945-1073 Dan.Kerr@gov.mb.ca
2. Priorities: Briefly describe what your organization sees as its top IT/IM priorities/initiatives over the next 12 to 36 months. <i>The PSCIOC is particularly interested in jurisdictional information in the following areas:</i> <ul style="list-style-type: none"> • Digital Government • Cyber Security • Talent Management 	Procurement Modernization A third party has been contracted to implement procurement category management. A review of IT hardware procurement is currently in process with plans to expand to IT Services and contracts in future phases. Desktop hardware and printers procurements have completed the evaluation stage.	Dean Tokariwski Acting Executive Director (204) 945-1667 Dean.Tokariwski@gov.mb.ca
	Shared Procurements In consultation with Procurement Modernization, the public sector is collaborating and aggregating demand for procurements to achieve economies of scale and maximum discounts. Shared wide area networking procurement is in progress.	Dean Tokariwski Acting Executive Director (204) 945-1667 Dean.Tokariwski@gov.mb.ca
	Development and Operations (DevOps) Modernization The Manitoba government is investigating methods to improve software development practices and has engaged a third party to review the current operational model and assess the opportunities to modernize the development environment, streamline processes relating to build and release automation and enhance application monitoring. It is expected that through the adoption of recommended changes BTT will realize savings due to gains in efficiency and improve the quality of product deployed, client satisfaction and employee retention.	Doug Marrin Director of Service Planning and Delivery (204) 794-3677 Doug.Marrin@gov.mb.ca

	<p>Citizen Engagement Portal Manitoba has implemented a Citizen Engagement Portal, providing a better way to engage and interact with the public.</p> <p>AI Manitoba is looking at exploring the use of artificial intelligence within the government.</p>	<p>Dennis Batacan Executive Director, Digital Transformation (204) 945-5587 Dennis.Batacan@gov.mb.ca</p> <p>Dennis Batacan Executive Director, Digital Transformation (204) 945-5587 Dennis.Batacan@gov.mb.ca</p>
<p>3. Issues and Needs: Briefly describe any issues you would like to share with the Council and what assistance you might be seeking from PSCIOC.</p>	<p>Digital Identity Manitoba is interested in knowing the approach taken by other jurisdictions on Digital ID, in particular example use cases for initial release.</p>	<p>Dennis Batacan Executive Director, Digital Transformation (204) 945-5587 Dennis.Batacan@gov.mb.ca</p>
<p>4. Topics of Interest: Please identify topics of interest to your jurisdiction for future PSCIOC meetings /teleconferences.</p>
