	1:20 p.m.		Arrival at ROTMAN and proceed to DesignWorks		
8	1:30 p.m. – 3:30 p.m. (Break 15 min)	Behavioural Insights and Data Analytics “Debunking the Myth”	<p>Behavioural Economics in Action at Rotman (BEAR):</p> <p>The session will include:</p> <ul style="list-style-type: none"> ➤ Case Studies with Q&A ➤ Workshop ➤ Testing Methodology ➤ Closing discussion and accessing talent <p>BEAR is a centre that combines decades of research in decision-making with empirically-tested tools to facilitate behavioural change. Looking at social and economic problems from a behavioural science lens and design solutions that go beyond the traditional approaches of applying incentives, penalties or provisioning information.</p> <p>BEAR conducts leading edge academic and field research that help their partners accomplish behaviour change through better touchpoints and interventions, and engage in a variety of educational and outreach activities. Bear is solving the “last mile problem” to improve societal well-being and business profitability. Core to the BEAR DNA is scientific testing, and it applies randomized controlled field and laboratory trials to deliver measurable results.</p> <p><u>Rotman's Business Design Studio:</u></p> <p>Rotman DesignWorks is the Business Design studio at the Rotman School of Management. DesignWorks' mission is to transform business education through user-centered design. As the world of</p>		<p><u>BEAR Presenters:</u></p> <p>Prof. Nico Lacetera, Strategy Dept.& Chief Scientist</p> <p>Prof. Phil Oreopoulos, BEAR Fellow, Economics Dept.</p> <p>Julian House, BI Unit, Ontario</p> <p>Sami El-Sibaey, BI Unit, Ontario</p>

			business continues to evolve and accelerate, it has become clear that the traditional manager's toolkit is incomplete. Data alone is insufficient for solving our most wicked business problems. At DesignWorks, we believe the success of our future business leaders will depend on their ability to integrate intuitive and analytical ways of thinking. Empathy, creativity and collaboration are keys to driving greater innovation and discovering new opportunities for growth and creativity.
