

Public Sector Service Delivery Council:

Provincial/Territorial Co-Chair

Decision required:

Confirmation of a one year extension for the position of Provincial/Territorial PSSDC Co-Chair by P/T members at the February 2018 meeting.

Background

The tenure of the current Provincial/Territorial Co-Chair of PSSDC, Natasha Clarke, will conclude at the end of the Sept. 2018 PSSDC meeting in Whitehorse, Yukon. Natasha has served as Co-Chair since Sept. 2016. The PSSDC Terms of Reference allows for a one year extension. Natasha Clarke has agreed to serve a one year extension as provincial/territorial Co-Chair with members' approval.

If P/T members approve the extension, Natasha Clarke, will serve as Co-Chair until September 2019.

Provincial/Territorial members (only) are required to make a decision on the extension at the PSSDC February 2018 meeting.

Provincial/territorial PSSDC members still have an opportunity to submit additional nominations from the floor at the February 2018 meeting in Toronto. If, at that time, there are additional nominees, the ICCS Secretariat will coordinate a secret ballot at the February meeting for the confirmation of the P/T Co-Chair.
