

# Staffing and Retention

## Guiding Questions for Discussion

---

- A range of staffing and retention issues have been identified:
  - Which ones resonate with your jurisdictions?
  - Are there staffing and retention issues your jurisdiction faces that have not been mentioned?
- If PSSDC were to prioritize staffing and retention issues to tackle, which ones would be the top ones and why?
- Some possible solutions to staffing and retention issues were identified:
  - Are there others?
  - Which ones might jurisdictions or PSSDC be able to leverage to address our top issues?
- What potential pilot or use case might PSSDC want to advance that would have measurable outcomes for clients.
